**Sponsor the next  
Winslow Beer Festival  
For Maximum Satisfaction!**

20<sup>th</sup> & 21<sup>st</sup> March 2009

Last year's Winslow Beer Festival was a great success with over £ 9000 going to local, national and international charities and organisations.

What's more, everyone involved had a wonderful time from start to finish.

Publicity included articles in the Bucks Herald and Buckingham and Winslow Advertiser papers.

The 2009 event offers several opportunities for sponsors at different levels, all of whom will gain from the publicity generated at the Festival, on our website, in the programme and in the media.
