# We have been going for over 30 years and with over 40 members, the club is thriving. But we want some new members.

## Remember

- there is no attendance record or average to keep up
- it is not a business networking club
- you give as much or as little of your time as you can afford
- we are just a group of locals – who are all friends now and there's a great social programme organised by the wives

**Come & claim your FREE PINT at our Business Meeting; 2nd Wednesday in any month at the Bell – 8.30pm.**

## But there is a serious side. Last year we raised just over £19,000 & we contributed among others to:

Milton Keynes Food Bank, Florence Nightingale Hospice, Thames Valley & Chiltern Air Ambulance, Brain Tumour Research, Bucks Search & Rescue, Winslow C of E Combined School PTA, Furze Down School, and Defibrillators for Winslow and villages around. We also have plans to support First Responders. This is in addition to some major emergency appeals organised by Lions Club International such as the Philippines.

## We also have a social programme

Progressive dinner in November, Charter dinner in February, BBQs and cheese & wine in July & August, pub quizzes, curries, Christmas meals, visits to the Houses of Parliament, walking tours and so on.
