

Would you like to be a Sponsor?

**Sponsor this year's
Winslow Beer Festival
For maximum satisfaction!**

Last year's Winslow Beer Festival was a great success with over £ 5,000 going to local, national and international charities and organisations.

What's more, everyone involved had a wonderful time from start to finish.

Publicity included articles in the Winslow and Buckingham paper and local village and parish magazines.

The 2020 event offers several opportunities for Sponsors at different levels, all of whom will gain from the publicity generated at the Festival, on our website, in the programme and in the media.

The following Sponsorship Packages are available:

Prime Sponsor - Only 1 available
