

Would you like to be a Sponsor?

**Sponsor this year's
Winslow Beer Festival
For maximum satisfaction!**

The 2025 Festival was a great success with over £7,000 going to local, national and international charities and good causes.

What's more, everyone involved had a wonderful time from start to finish.

Publicity included articles in the local press and local village and parish magazines.

This year's event, to be held at The Bell Hotel again, offers several opportunities for sponsorship and/or advertising at different levels, all of which will gain from the publicity generated at the Festival, on our website, in the programme and in the media.
